## Stony Brook's New Bus Tracking App Installation, Setup, and Use Instructions

Locate your Stony Brook Transit Shuttle anytime using your smartphone, tablet, or web capable device! Follow the instructions below to download the app; to view the tracker in your web browser, click the following link: [ETA SPOT](#)

### TO USE THE APP ON YOUR SMARTPHONE OR TABLET:

1. Click the icon below to be directed to the app in Google Play or the Apple App Store (or search for "ETA SPOT" in your device's app store) and install the app.

2. After installation, open the app and, when prompted by the app, select "Stony Brook University" as the agency.
3. The menu button on the app will allow you to select a number of options:
  - a. Map will allow you to locate where the Stony Brook Transit Shuttle is on your select route.
  - b. Routes will allow you to select which routes you would like displayed on the map. The default selects all routes to be displayed.
  - c. Messages will allow you to view system announcements such as detours, service notices, and other information.
